## The QuickBooks Online Difference

# Daily tasks made easier

## Less work with QuickBooks Online

### Capture receipts on your phone

Snap a photo of your receipt and easily attach it to any transaction using the QuickBooks mobile app.

### Less data entry<sup>1</sup>

QuickBooks online automatically downloads and categorizes bank and credit card transactions.

### Work from anywhere<sup>4</sup>

Turn a spare moment into a productive minute. Send invoices, reconcile accounts, run payroll, and more on your phone.

### Get answers anytime<sup>4</sup>

Keep tabs on your business from your pocket. Access customer info, late invoices, and more from your smart phone.

### Share books with your accountant<sup>9</sup>

Your accountant can access your books remotely to answer questions, fix problems, and do anything needed to get you ready for tax time.

### Access on a PC and Mac<sup>4</sup>

With QuickBooks Online, you and your team can access the books on either device. Finally, something Mac and PC people can agree on.
